Fairview Notes.

Once more the Ta-ra-ra-boom-de-ay Club met at the house of Mr. Fred Mohrmann. On Tuesday evening the members glided in like phantoms of the night, and no one knew them in their fantastic garbs. As they marched in they took possession of the house to the tune of "Ta-ra-ra," etc., and after unmasking, music held the fort until late in the evening. All the members of this club are noted for their splendid voices, and even the baritone of the host chimed in well with the richer and sweeter voices of the other members. The evening was a very enjoyable one, and whoever thinks that Fairview is not a lively place should get an invitation to one of these soirees, and he will find out all about it. The club meets again next week.

We are glad to learn that the honored President of the Fairview Improvement Association, Mr. C. L. Potter, was not seriously injured in New York as he was stepping from a horse-car, but will soon be all right again. This is a matter of congratulation to the people of Fairview, as they can ill spare the counsels of Mr. Potter.

Owing to the Columbus celebration next week the meeting of the Fairview Improvement Association will be held on October 17 instead of the 10th.

The bonds will be numbered from 31 to 35 inclusive, and will be payable one each year beginning with 1894.

Mr. Oakes stated that the site that had been selected met with the unanimous approval of the Board of Trustees. The resolution was adopted. Out of the 78 votes cast only 3 were in the negative. It would depend on the requirements for school facilities in the future.
